Dear Mr. Corbine:

The South Dakota Department of Game, Fish, and Parks is planning to install a single concrete vault toilet at Lewis and Clark Recreation Area. The toilet would be located in the Yankton Unit of the campground. The proposed work would include the excavation of one 10 foot by 10 foot hole to a depth of 5 feet. The project location is in Section 24, T93N, R57W, Yankton County, South Dakota (enclosure).

A December 2004 cultural resources file search revealed one recorded site within Section 24, 39YK207, which is destroyed .

If you have any comments or concerns regarding this project and wish to consult on this matter, you may respond in writing no later than January 17, 2005. Please reference "Lewis and Clark vault toilet" in your correspondence. If you have any questions, please contact Ms. Sandra Barnum at (402) 221-4895 or Mr. Larry Janis at (402) 221-3110.

Sincerely,

Candace M. Gorton
